

## Neva Stop

## Kottonmouth Kings

Can't stop  
Won't stop....  
We ain't gon' never stop

We need to make it clear let me pop my shit off  
We've been here for like ten years bitch don't pop off  
Tattoos all over my body I'm covered in Kottonmouth Kings  
I believe this shit dog don't even bother me  
Microphone on my left arm I got to keep it real  
Rocking gold records on my wall bitch D-Loc got skillz  
I ain't telling fairy tales and I'm not conceited  
I could give a mother fucker the chills and make him believe me  
Can't stop won't stop we need to make it clear  
Stop asking dumb questions 'cause I'm still standing here  
I catch a cat sleeping give him a contact  
Ask him if he got this 'cause I got that

It took me so many years to get to the top  
And now that I'm here I ain't gonna let my altitude drop  
I stay flying high like aces checking people's faces  
As if I'm in a poker tournament in Las Vegas  
It's Johnny Richter so you know you can't play this  
Support the type of people who'll leave you lying faceless  
I got the kind of weed that'll leave you feeling weightless  
Tell me what you need and I'll soon be on my way kid  
Bullet proof tires keep me moving on  
JB designers hook me up with bongs  
And all my homies hook me up with bomb weed  
So how you gonna stop us when the clock hits 4:20 come on

We ain't gonna stop  
We ain't gonna stop  
We aint gonna we ain't gonna we ain't gonna stop

We ain't gonna stop  
We ain't gonna stop  
We ain't gonna we ain't gonna we ain't gonna stop

We ain't gonna stop until the wheels they go pop  
Until our casket top drop  
Until they resurrect Pac  
Until they outlaw hip hop and put a ban on punk rock  
Until they legalize legalize legalize pot  
See we ain't gonna stop until all our houses are bought  
'Til we run the whole city then we own the whole block  
We ain't gonna stop until we're sitting on top  
'Cause them Kottonmouth Kings got the beats that go drop  
Lights, camera, action, go  
Kottonmouth Kings are in full control  
I said lights, camera, action, stop  
Kottonmouth Kings got them beats that go drop
