It gets scarier when clones cross polonaise
Hydroponic, cryptnotic, supersonic, madocnize
You wake up and you still feeling groggy yeah
Heads foggy like cereal that's soggy yeah
You pack a bowl but you cant find your lighter still
A loaded crisis somebody call cypress hill
Sen dog you got some fire for a brother man?
"I got some fire but your lighter's still up in your hand"

Kottonmouth and cypress hill, always kick the dope shit
Down with daddy x, d-loc and johnny richter
Southern cali most high do ya get the picture?
We don't stop, we just keep on thumping
With the skills that kill home boy ain't lacking nothing
From the streets of ? all the way to the o.c.
Any way around the world we smoke the dope weed
We got what it takes, cush, bud, hash cakes
Smoke filled room when the hits take place
I becoming mad stoned on the phone with Tommy Chong
Beating on my chest mad dog, King Kong
Here's another verse from the dirt that came first
We coming at ya hard from the ghetto to the surf
I be putting in work, so just stay up off my turf
Or I'll have your homeboys straight calling for a hurst

Put the blunt down and listen up now
