Ooh, Ah, Achika  
Pakelika's sparked the blunt in the back of the car  
We rollin 5 deep to the neighborhood bar  
Cars fishbowed now, we didn't get far  
See red lights flash, cops know who we are  
reputation built, superstar bud smokers  
Coppers hittin' quotas for pullin us over  
Once again, let the routine kick in  
Stash in the dash let the games begin  
Piggy wattles over with that shitty grin  
But I'm, cool as (?hurt?) I ain't scared of him  
Infact, I laugh, cause Pak's still smokin  
Cop came up fast tapped the glass but it's broken  
Grabbed the handle quick and the door flies open  
Smoke bursts out  
"WHAT ARE YOU GUYS SMOKING?"  
"Skunk One is what we tokin!"

(D-Loc! D-Loc!)

Gotta get some weed I was runnin out quick.  
I had a couple of rips left a little that was it.  
My sack was getting low, had a little bit a dough.  
Need to go see my bro so I can get some more.  
Straight indica purple that I got from 33rd.  
Gave me couple a pills and a DragonWorks shirt.  
got a new bong, packed it up and hit it.  
"You like it D-Loc?"  
I said "Yeah I'm with it."  
Then I went to the store, grabbed a pack of blunts.  
Went back to my house and I rolled em up.  
Sat on my couch, drank a beer, and got stoned.  
Called this bitch on the phone that I really wanna bone.  
Now I'm all blown and I'm staring at the ceiling.  
The fans going 'round and 'round I'm just 'illin.  
Smoked so much izzie that it got me chillin.  
Ya'll know the name (D-Loc!) Ya'll know the feelin (D-Loc!)
