

Take A Bath

Kottonmouth Kings

Take a bath you dirty mother fucker take a bath

whoaaaaaoooo

I'm all about my girls pussy

When I get down you know I get it wet

I be workin it out every day and every night

Different sex be good

Imma shoulder blade I'm built

You'll respect my shit or you well get checked.

I'm getting tired of playin these hoes

all these dirty lil bitches

all these scandles ass hoodrats

It's time for yall to hit the switches

Bounch out quick

My girl fuck to suck a good dick

And don't get slit because I got a ganster bitch.

Baby listen up real quick

Hear I go about to talk about some natrual shit

So listen to the flow while my dicks in your mouth

And we fuckin on the couch

And I'm turnin you out the pussy like woos

And I know that you love to come with me

At the same time when I'm sweatin on your chest.

Got you meserized I can see it in your eyes

You better tell those other guys that you belong to me.

I don't really care about your motha fuckin past

Or how yer last boyfriend that treated you like trash

Wanna keep it real I just hit that ass

So stop the fucking talking babe and go and take a bath

Bring it back clean I work it down slow

I wanna take my time with you just to let you know

Your messin with a pimp here a certified pro

And I wanna hear you scream like woos wo woos oo

Take a bath baby go and wash away your insecurities

Go wash away your fears, wash away your enemy

Bring it back nice and fresh

For a player to play with

Pussy like a slip and slide with it's ridin on my dick woosoo

Damn baby you so fine

Pussy look so good when you grindin up on mine

That's right baby work it nice and slow

From the left to the right now work it to and fro oo

You know that feels so bomb

You know I wish I could fuck you without a condom on

But it aint possible that shit just aint gonna happin

Pussy after pussy I be magnum mashin

If you got a golden ticket then let's kick it treat it like I own it and str
aight get wicked

Some say it's the hoe in me but yo I can't get enough

So baby go and take a bath and get ready to fuck.

I guarantee you never met a g quite like me

And I'll stamp that with my money back guarantee

Qualified to fullfill your wildest fantesys
And when the sun comes up I'll let you get a little sleep
Recharge your battaries cause Imma but you to the test
Lets get it startin with one week and never leave this bed
I'll knock your other lovers flat
Fuck them out your head
Your be screamin talkin marrage next you wanna have my kids.
