

# Tangerine Sky

## Kottonmouth Kings

Say goodbye to a tangerine sky say hello say hello to tomorrow- when you say  
goodbye  
to a tangerine sky you lose your pain lose your fear lose your sorrow

what if you were livin yours instead of hatin mine findin truth and spreadin  
love and searchin  
deep inside - see me glidin swiftly to that place I need to be that home gro  
wn irie zone  
harvesting my seeds

I'm gonna live my life from day to night with no hesitation  
Make the best of every situation that I find myself placed in  
Decidin right from wrong, choosing my final destination  
Cause when it's said and done, it's just yourself that you are facin'

Say goodbye to a tangerine sky say hello say hello to tomorrow- when you say  
goodbye to a  
tangerine sky you lose your pain lose your fear lose your sorrow

Say Say  
Say good-bye to tomorrow  
Wash your sorrow  
Live and learn  
Listen up and follow  
Do what you want, so let me rock it  
I be dammed if you think you gonna stop it  
Popo it drop it D-Loc get up on it  
Don't you think your sink cause you can't call it  
I be the one that balled you up in college  
Killa cross just brake you down Kottonmouth Kings on the radio now  
Make you think when you see my face D-Loc with style and grace

I wanna touch the sky unleash control wanna feel time travel real thru my so  
ul wanna ride real  
high wanna lay real low independent free thought control my zone my zones fu  
ll blown like a  
plant full grown transform myself thru this microphone - Hold up ....change th  
at tone Johnny  
Richter come thru with your barritone

It's time to open up your eyes and catch sight  
Cause you could wake up in the morning, and not make it to the night  
Take advantage of your life, you only get one try  
You gonna be satisfied today if tonight you died?  
Well I'm not that guy, I keep my blood runnin'  
You say you've had enough, and I say keep it comin  
Now you're bummed because you're done and you're left all alone  
Should've known livin blown you'd end up like a clone WHAATTTT!

Say goodbye to a tangerine sky say hello say hello to tomorrow- when you say  
goodbye to a  
tangerine sky you lose your pain lose your fear lose your sorrow

It's not a place on any map it's Kaya meditation that home grown herbal zone  
peaceful  
medication at peace no understandin no condition but love at peace all accep  
ting to the sky above

Say goodbye to a tangerine sky say hello say hello to tomorrow- when you say  
goodbye to a  
tangerine sky you lose your pain lose your fear lose your sorrow
