

UR Done

Kottonmouth Kings

Ur-Done, take 1.
It's that time.
Actually like take 5.
D-Loc in the house.
Whatchu know about...this?
Go!

Go to bed and get some sleep.
Ur-Done!
When I see you creepin' in the street.
Ur-Done!
??
Ur-Done!
Your ass is peaking, I say...

You...are done, you are done.
Ur-Done, Ur-Done, Ur-Done!

This is not a test.
Run and tell a friend.
Try not to forget.
So here we go again.

You...are done, you are done.
Ur-Done, Ur-Done, Ur-Done!

It's the sweetest thing I ever saw.
If it's not around, I make a call.
As if it's not enough, I want it all.
And if I fail another test, I'm gonna fall.
I'm gonna fall, fall I'm gonna fall, fall.

Hey, hey
U R Done, the night is over.
Time for you to go, it's over.
You passed that point started actin' dumb.
Go to bed, because you are done.

You...are done, you are done.
Ur-Done, Ur-Done, Ur-Done!

U-R-D-O-N-E! DONE!
(haha)
