

# Beast Within

Krampus

Desires are rotting and turning into Envy  
The rules of the game are corrupted  
The loser from the podium mocks the winner  
Welcome to this world.

Endless is the circle of dissatisfaction  
Mother of all the wrongs

This ravenous Beast inside  
Devouring your Pride

Every time time you make a wrong choice  
Don't blame who succeeded where you failed  
What you don't own it's not true it's due to you  
Accept you can't have everything  
Give value to what you have  
Don't surrender, Keep on Fighting  
Fighting to resist  
This ravenous Beast inside  
Devouring your Pride

Happiness you steal  
It's pain that you gift  
Celebrate the great inequity

Desires are the lifeblood of humanity  
The purpose of the strongest efforts  
Enjoy what you deserved and  
Create your own world.

Now break the circle of dissatisfaction

Mother of all the wrongs

This ravenous Beast inside

It's time to starve it

To Break Free
