

Howl

Krampus

I am the leader the guide of the pack
Mine is the duty and the load
Example for everyone Judge and Enforcer
Protector of my lineage

My Claws
Sharped on the rocks
My Fangs
Relentless Fury

From the highest rock
The pack under control
Silently I peer the woods
I remember the day when i took the command
from the blood of my weakened father

Moon that howl to in the night
Give me the strenght to mantain my pride

Enlight my path, guide my decisions
So that I will rule in justice
Each of my errors will fall on my pack
I can't afford to fail

My Claws
Sharped on the rocks
My Fangs
Relentless Fury

HOWL

My Claws
Sharped on the rocks
My Fangs
Relentless Fury

The forest my reign
whisper my name
Everything fears the wolves
Our hunting ground
generous mother
The balance that we belong to

Moon that howl to in the night
Give me the strenght to mantain my pride

HOWL

I am the leader the guide of the pack
mine is the duty and the load
The sun is rising begin of the day
Moon i bid you goodbye

My wolves
hear my command
A new day
has just begone
