Krayzie Bone

Devil

{devilish laughs} Deep in the darkness of the underworld, Mista Sawed-Off LeathaFace, the black warrior, calls upon his mighty souljahs to begin with the destruction of those who appose this Thug Nation civilization. We shall prevail. We shall prevail and leave our enemies drowning in our destruction. Forever trapped in Hades if he dare go against the forces of the underworld. So bow down, bow down and praise the 12 gauge! and pay respects to Sawed-Off Leathaface, the Legend.
