

# Absolute Misanthropy

Kreator

You don't know how much I hate you  
And always will  
I'll never crawl before your thrones  
You don't know the day will come soon  
When we will kill  
The final holocaust for your dark hearts

Feels like I'm on poisoned adrenaline  
Aggro-toxic amphetamine  
This one goes out to the ones I hate  
Poisoned adrenaline  
Socio terror on endorphines

Come join my philosophy  
- Absolute misanthropy!

Feels like I'm on poisoned adrenaline  
Aggro-toxic amphetamine  
This one goes out to the ones I hate  
Poisoned adrenaline  
Socio terror on endorphines

Come join my philosophy  
- Absolute misanthropy!

Pain after pain  
Sin after sin  
You'll be the ones that will suffer  
The soul always burns as  
The body decays  
All that I'm able to feel

Absolute misanthropy  
Absolute misanthropy  
Absolute misanthropy  
I can't wait for you to die!
