

# Forever

Kreator

Forever torn apart  
Forever gone  
Forever things will come  
Back to the start  
Forever honesty  
Forever gone  
Forever trust to me  
There can't be none  
Though you don't comply at all  
There's a way out of this hole  
As the shadow breaks the crust  
Your soul is mine Forever  
Forever senseless tears  
Forever lies  
Forever shameless fear  
You won't pass by  
Forever cannot win  
Forever try  
Forever live in sin  
Under the sky
