

## Terror Zone

Kreator

My inner eye sees many spheres  
A cruel dimension where time and space distort beyond control  
A ride to another center of the Universe  
My thoughts come undone make me see the dark stains on my soul

A darkness as cold as ice surrounds me in this place  
I probe a veiled phobia, all my own  
Creatures crawl out from my weirdest, wildest dreams  
They are flesh, not fantasy, they drag me inside the...

Terror zone

Demons, ghouls, and fiends that once I could ignore  
Shred the skin and flesh from my bones  
Planets form and die, the cosmos torment me  
Unnatural, humongous, neverending...

Terror zone

Now I know what dwells within me  
Blood - a river of sweat and tears  
Flesh - a land God left behind  
Soul - a sky of cloudy fears

Deception and disguise dissolve before my inner eyes

My heart turns to stone  
God, I'm all alone  
Oh, no  
All alone
