## Warcurse

Envision World War Two In a land that's ruled By hate and hunger I guide the fading souls As bodies drown in flames

All the world is a cemetary A new order is dispersed Like a brutal catharsis This is the dawning of the

Warcurse Echoes death's eternal call Hatred is forever Warcurse Peace forever be disturbed Violence is conquering the world

Dreams to erase The ones that they forever dispise Perverse ideology From the lowest sons of the soil

I am watching ever-present Suffers from every race Take a look into the mirror And you will see my face

Warcurse Echoes death's eternal call Hatred is forever Warcurse Peace forever be disturbed Violence is conquering the world

Air raid shelters as the sirens scream Words to ease all mortal fear Lift the souls off on the German front Counting cadavers on the lost

Soldiers of hate, nazi leaders and civilians I will take them to where they belong For I've seen many wars, Heard a hundred calls to arms Salvation is my name ALARM!

Pure hate Is in the air that I breath Pure hate A sickness that's known as Pure hate Abnormal cruelty brings No victory to this war Pure hate The wise saw it coming Pure hate The mighty paved the path **Kreator** 

Pure hate My kiss of death comes As a blessing not a curse

The curse lives on and on Gggggrhhhh eternal

Warcurse Warcurse Warcurse Violence is conquering the world!
