

# Bumpin Bumpin

Kreayshawn

Bumpin' bumpin'  
Dancefloor is bumpin'

Rockin' in the club, catch me on an elephant  
Young Kreayshawn grimey, but I feel so elegant  
Rockin' in the club, catch me on an elephant  
Young Kreayshawn grimey, but I feel so elegant

Come with me tonight, spinning inside  
Take me to the city our bodies collide  
I get high that groovy sky  
10:15 mezzanine

Bumpin' bumpin' bumpin', it's 10:15  
If you looking for me, I'll let you know where I'll be  
A swaggered up chick in the VIP  
Don't come around playing got that chopper on me  
These clubs fulfill all my wishes  
One big room full of bad bitches  
The girl want me she constantly taunt me  
And in my club dreams, she always used to haunt me

Bumpin' bumpin'  
Dancefloor is bumpin'

Rockin' in the club, catch me on an elephant  
Young Kreayshawn grimey, but I feel so elegant  
Rockin' in the club, catch me on an elephant
