

# Don't Call Me Baby

Kreesha Turner

Stop trying, don't you see the look in my eyes.  
Stop begging, can't you see I've run out of lies.  
Stop showing up at my favourite restaurant,  
and dropping by at my work saying you just wanna talk

Don't call me "baby",  
Don't call me "baby",  
Anymore.

Stop running baby, cuz you've run out of time.  
(Stop running baby cuz you've run out of time)  
Stop asking, you know all the reasons why.  
(Stop asking, you know all the reasons why.)  
Stop staring through me, like you know who I am.  
(Stop staring through me, like you know who I am.)  
You don't know me, you don't know me, barely knew me then.  
(You don't know me, You don't know me, you don't.)

And Don't call me "baby",  
Don't call me "baby",  
Anymore.

(Hey-hey hey)  
Walking away now, walking away now, baby. (Oh baby)  
(Hey-hey hey)  
Walking away now, walking away now, baby. (Oh baby)

Don't call my number,  
Don't call me over,  
Don't call me "baby".  
Anymore.

Whatcha gonna do my love, whatcha gonna do?  
Whatcha gonna say this time, what's your excuse?  
When you gonna break my heart, when you gonna break?  
Nobody hurts like you..

Stop staring through me, like you know who I am.  
You don't know me, you don't know me, barely knew me then.  
(You don't know me, You don't know me, you don't.)

And Don't call me "baby",  
Don't call me "baby",  
Anymore.

(Hey-hey hey)  
Walking away now, walking away now, baby. (Oh baby)  
(Hey-hey hey)  
Walking away now, walking away now, baby. (Oh baby)

Don't call my number,  
Don't call me over,  
Don't call me "baby".  
Anymore.
