

Can't Stay Away

Kris Allen

I see you girl walking over here
Can't look away
I see you left a trail of broken hearts
On your way to me
I've tried to not let it show
But I know that you know, yeah

You break me down
Every time you make a move
Without a sound
Girl, you make me come unglued
And I don't know what you did to me
And I don't care what you got to say
Cause no matter what you do
I can't stay away from you

(Oh, uh-oh, oh, uh-oh)
I can't stay from you
(Oh, uh-oh, oh, uh-oh)

There's something about the way
You make me feel
I'm ready to confess
That you take my heart
And baby, I'm a mess
I'm done trying to deny
That without you I'll be alright

You break me down
Every time you make a move
Without a sound
Girl, you make me come unglued
And I don't know what you did to me
And I don't care what you got to say
Cause no matter what you do
I can't stay away from you

(Oh, uh-oh, oh, uh-oh)
I can't stay from you
(Oh, uh-oh, oh, uh-oh)

24 hours a day ain't nearly enough, no way
To get to know you from head to toe
You know how to captivate
Please baby, don't make me wait
I'm at your door, I need more
More, more, more, more, ohhh

You break me down
Every time you make a move
Without a sound
Girl, you make me come unglued
And I don't know what you did to me
And I don't care what you got to say
Cause no matter what you do
I can't stay away from you

(Oh, uh-oh, oh, uh-oh)
I can't stay from you
(Oh, uh-oh, oh, uh-oh)
I can't stay away from you, ohhh
(Oh, uh-oh, oh, uh-oh)
