Kris Allen

Here come old flattop, he come grooving up slowly
He got joo-joo eyeball he one holy roller
He got hair down to his knee
Got to be a joker, he just do what he please
He can't wear no shoeshine he got toe jam football
He got monkey finger he shoot Coca-Cola
He say I know you and you know me
One thing I can tell you is you got to be free
Come together right now over me
He bag production, he got walrus gumboot
He got Ono sideboard, he one spinal cracker
He got feet down below his knee
Hold you in his armchair you can feel his disease
Come together right now over me, come together
He roller-coaster, he got early warning
He got muddy water, he one mojo filter
He say one and one and one is three
Got to be good looking 'cause he's so hard to see
Come together right now, come together right now
Come together right now over me, come together
