

# Don't Set Me Free

Kris Allen

Didn't wanna complicate it,  
I'm tired of playing games with you.  
So I'm gonna come right out  
And finally tell you how I feel about you

You're kind of crazy  
But that's what I love about you

You're gonna kill me but I'll die with a smile  
And you're gonna break me but you'll do it in style  
So lock all the doors and throw away the key  
Cause I am your prisoner but don't set me free  
Well I am your prisoner but don't set me free

There's something in your eyes  
That I've never, ever seen before  
It's the sway in your walk and the vibe in your talk  
And every little way that you're turning me on

You're kind of crazy  
But that's what I love about you

You're gonna kill me but I'll die with a smile  
And you're gonna break me but you'll do it in style  
So lock all the doors and throw away the key  
Cause I am your prisoner but don't set me free  
Well I am your prisoner but don't set me free

Far as I can see, there's no way out  
You have got my heart chained up no doubt  
But I want it that way, I want it that way, oh yeah

You're kind of crazy  
But that's what I love about you

You're gonna kill me but I'll die with a smile  
And you're gonna break me but you'll do it in style  
So lock all the doors and throw away the key  
Cause I am your prisoner but don't set me free  
Well I am your prisoner but don't set me free  
I am your prisoner but don't set me free
