

Is It Over

Kris Allen

This time you say it's for good
You've played kind
For as long as you could
With your head in hands
And your tears on my chest
I think to myself, I'm not giving up yet

And I say, is it over?
Or can I turn you around
If I crawl on my knees
To rewrite our story tonight
Would you care or are you already gone?

So take your time
As you're headed for the door
Cause I might find
The right words to say
If you give me a second more
I'm no good at goodbyes
And my pride's here to see
That I won't let you go
As you walk out on me

And I say, is it over?
Or can I turn you around
If I crawl on my knees
To rewrite our story tonight
Would you care, or are you already gone?

I wish I could make you stay,
Just like you should
So take this love, before you go
And if it's all that I am, let me ask you again
Cause I need to be sure
Is it over?
Or can I turn you around
If I crawl on my knees
To rewrite our story tonight
If I crawl on my knees, would you come back to me?
To rewrite our story tonight
Would you care, or are you already gone?
Would you care, or are you already gone?
