

# Wastin' Time

Kris Allen

I'm a person that you're tryin' not to be  
I'm better wastin' my time I've got down packed so easily  
Some people they call me they call me lucky  
Sittin' on my throne not doin' a thing

Well everybody's passin' me on this road I'm on  
I gotta pack my things  
Get ready to go  
Send me on my way no  
And if you could would you please pay my toll  
'Cause I gotta get out of this place and  
This wastin' time  
It's gettin' old

Well I've been writin' all these verbs down and I don't know wh  
y  
'Cause I got no action I got no action I got no action in my li  
fe  
It's easy livin' your life doin' the things the way I do  
But if you give it up you better start runnin' 'cause it'll cat  
ch up to you

Well everybody's passin' you on this road you're on  
You gotta pack your things  
And get ready to go  
Send me on my way no  
And if you could would you please pay my toll  
'Cause I gotta get out of this place and  
This wastin' time  
Well it's gettin' old

Everybody's passin' me so damn slow they're wrong  
I gotta pack my things  
And get ready to go  
Oh get ready to go  
Get ready to go  
Ah oh get ready to go  
Get ready to go  
Get ready to go  
Get ready to go  
Get ready to go  
Get ready to go  
Ah oh get ready to go  
Yeah
