

## Blame It on the Stones

Kris Kristofferson

Mister Marvin Middle Class is really in a stew  
Wond'rin' what the younger generation's coming to  
And the taste of his martini doesn't please his bitter tongue  
Blame it on the Rolling Stones.

Blame it on the Stones; blame it on the Stones  
You'll feel so much better, knowing you don't stand alone  
Join the accusation; save the bleeding nation  
Get it off your shoulders; blame it on the Stones

Mother tells the ladies at the bridge club every day  
Of the rising price of tranquilizers she must pay  
And she wonders why the children never seem to stay at home  
Blame it on the Rolling Stones.

Blame it on the Stones; Blame it on the Stones  
You'll feel so much better, knowing you don't stand alone  
Join the accusation; save the bleeding nation  
Get it off your shoulders; blame it on the Stones

Father's at the office, nightly working all the time  
Trying to make the secretary change her little mind  
And it bothers him to read about so many broken homes  
Blame it on those Rolling Stones.

Blame it on the Stones; Blame it on the Stones  
You'll feel so much better knowing you don't stand alone  
Join the accusation; same the bleeding nation  
Get it off your shoulders; blame it on the Stones

Blame it on the stones, blame it on the stones.
