

For The Good Times

Kris Kristofferson

1. Don't look so sad, I know it's over.
But life goes on, and this whole world will keep on turning.
Let just be glad we had some time to spend together.
There's no need to watch the bridges that we're burning.

R: Lay your head upon my pillow.
Hold your warm and tender body close to mine.
Hear the whisper of the raindrops blowin soft against the window
And make believe you love me one more time, for the good times.

2. I'll get along, you'll find another
And I'll be here if you should find you ever need me.
Don't say a word about tomorrow or forever
There will be time enough for sadness when you leave me.
