

# Loving Her Was Easier (Than Anything I'll Ever Do Again)

Kris Kristofferson

I have seen the mornin' burnin' golden on the mountain in the s  
kies  
Achin' with the feelin' of the freedom of an eagle when she fli  
es  
Turnin' on the world the way she smiled upon my soul as I lay d  
yin'  
Healin' as the colors in the sunshine and the shadows of her ey  
es

Wakin' in the mornin' to the feelin' of her fingers on my skin  
Wipin' out the traces of the people and the places that I've be  
en  
Teachin' me that yesterday was somethin' that I'd never thought  
of tryin'  
Talkin' of tomorrow and the money love and time we had to spend  
Lovin' her was easier than anything I'll ever do again

Comin' close together with a feelin' that I've never known befo  
re in my time  
She ain't ashamed to be a woman or afraid to be a friend  
I don't know the answer to the easy way she opened every door i  
n my mind  
But dreamin' was as easy as believin' it was never gonna end  
And lovin' her was easier than anything I'll ever do again
