

The Bigger the Fool, the Harder the Fall

Kris Kristofferson

Hey, doesn't it still look easy as it did to you
Hey, wasn't it true, after all
I couldn't help myself, girl
And I can't blame you
The bigger the fool, the harder the fall

Living on old illusions, and some make believe
That mattered to me, most of all
Closing my eyes to changes I've refused to see
The bigger the fool, the harder the fall

Somewhere in your future, on the far side of your world
You might read my writing on the wall
And think of the easy dreamer who believed in you
The bigger the fool, the harder the fall.

If someday you wake up in a world that's turned on you
And nobody answers when you call
Hey, think of the easy dreamer who believes in you
The bigger the fool, the harder the fall

Think of the crazy dreamer who believes in you
The bigger the fool, the harder the fall.
