

Slaughtering Void

Krisiun

Twilightful reaping winds
Blowing soul's execution
Ethereal massacre - sacrifice beyond
Perpetual fiery - slaughtering void
Embrace the wanderer to be reborn in pain
Ghost enslaved procession - march to blackness
Inferno fiercely calls - summoning pestilence
Decayed creatures - sworn to descend
As the fallen earth awaits
Entangled in firestorms - plagued spirits
Transcending the pain of flagellation
Abyssal journey - sons of twilight
Embraced by the scourge of creation
Worm's spectres - cast in abominations
Eternal sacrificila curse
Worm's spectres - cast in abominations
Eternal sacrificila curse
Eminent decay - rebirth of scourge
Darkened as dead - eternity remains
Hordes of the covenant of the season of doom
Burn the purity to be purified again
