

Suicidal Savagery

Krisiun

Savage merciless assassination
In a pagan ruined territory
Children of god's annihilation
Women's profane decapitation
Heart of the abysmal world
Opened wide, inferno untamed.
Savage cruel destination
To disciples of a suicidal oath
Order of infernal inheritance
Sworn sons to a painful death
Suicidal religious glory
Must destroy all non divine.
Origin of the most infernal,
Origin of the most hateful to be cast across the planet,
Origin of the most vengeful to be spread until it dies.
Bombshell shatters all villages,
Women and children embrace
Pulverized in a collective grave,
Dried blood beneath the sand.
Loyal servants of killing
Promised to conquer the heavens
For the glory of the messiah's hunger
Earthly lives must be consumed.
