Fast Car

Kristian Leontiou

You got a fast car I want a ticket to anywhere Maybe we make a deal Maybe together we can get somewhere

Any place is better Starting from zero got nothing to loose Maybe we'll make something But me, myself, I got nothing to prove

You got a fast car I got a plan to get us out of here I been working at the convenience store Managed to save just a little bit of money Won't have to drive too far Just 'cross the border and into the city You and I can both get jobs And finally see what it means to be living

You got a fast car But is it fast enough so we can fly away? We gotta make a decision Leave tonight or live and die this way

So remember we were driving, driving in your car The speed is so fast I felt like I was drunk City lights lay out before us And your arm felt nice wrapped round my shoulder And I had a feeling that I belonged And I had a feeling I could be someone, be someone, be someone

My old man's got a problem He live with the bottle, that's the way it is He says his body's too old for working His body's too young to look like his My mama went off and left him She wanted more from life than he could give I said "somebody's got to take care of him" So I quit school and that's what I did

So remember we were driving, driving in your car Speed is so fast I felt like I was drunk City lights lay out before us And your arm felt nice wrapped round my shoulder And I had a feeling that I belonged And I had a feeling I could be someone, be someone, be someone

You got a fast car Is it fast enough so we can fly away? We gotta make a decision Leave tonight or live and die this way
