

The Crying

Kristian Leontiou

Moving slowly, Looking lively
Knowing we're close to the edge
Evenings over, girlfriends calling
Too busy to talk, I pretend

I make my way all through
The crowded faces of the night

Now its all over, its all over with the crying
Now its all over, I'm stone-cold sober
And I'm trying

Who would ever take the time
To hear me say goodbye

New day dawning, rain is falling
Newspapers blow at my feet
Someone told me, take it easy
Take all the time that you need

I make my way all through
The crowded faces of the day

Now its all over, its all over with the crying
Now its all over, I'm stone-cold sober
And I'm trying

Now its all over, its all over with the crying
Now its all over, I'm stone-cold sober
And I'm trying

Who would ever take the time
To hear me say goodbye

Who would ever take the time
To hear me say goodbye
