

We are the sons and daughters  
Children of a Holy Father  
Called from the dark for purpose  
His Spirit living in us

We are the ones to carry  
The truth of a greater story  
Of life and love and freedom  
Go now, tell everyone

This is a call, now everybody follow  
Go tell the world that Jesus reigns  
Go the broken, go to the helpless  
Go set the captive free

Come one, come all  
Come young, come old  
Come everyone

Good news for the brokenhearted  
For the ones who mourn in darkness  
God gives relief and gladness  
Beauty for piles of ashes

Come now from every nation  
Come join this celebration  
The center of our praises  
King Jesus our salvation

Go, go, go tell everyone  
Go, go, go tell everyone  
Go, go tell everyone you know
