My Reward

Kristian Stanfill

I give my life again, every breath I have For You are my reward Jesus, take my life, a sacrifice All I have is Yours, all I have is Yours

You are my reward, all I'm living for I surrender all my life to You All consuming fire, You are my desire No one else but You, I surrender all my life to You All to You, my Jesus

Jesus, here I am with open hands Lifted high to You Could my heart contain all Your love for me? You're all I need to know, You're all I need to know

You are my reward, all I'm living for I surrender all my life to You All consuming fire, You are my desire No one else but You, I surrender all my life to You All to You, my Jesus

Nothing compares to knowing You Nothing compares to loving You I'm giving my life to follow You, my King

Oh, nothing compares to knowing You Nothing compares to loving You I'm giving my life to follow You, my King My King

Oh, nothing compares to knowing You Nothing compares to loving You I'm giving my life to follow You, my King

You are my reward, all I'm living for I surrender all my life to You All consuming fire, You are my desire No one else but You, I surrender all

'Cause You are my reward, all I'm living for I surrender all my life to You All consuming fire, You are my desire No one else but You, I surrender all my life to You All to You, my Jesus, all to You, my King

All to You
