

# The Lord Our God

Kristian Stanfill

Promise maker, promise keeper  
You finish what You begin  
Our provision through the desert  
You see it through 'til the end

The Lord our God is ever faithful  
Never changing through the ages  
From this darkness  
You will lead us  
And forever we will say  
You're the Lord our God

In the silence, in the waiting  
Still we can know You are good  
All Your plans are for Your glory  
Yes, we can know You are good

So we won't move without You  
We won't move without You  
You're the light of all and all that we need, Lord to everythin  
g  
We won't move without You  
We won't move without You  
You're the light of all and all that we need,  
We trust You, God

We won't move without You  
We won't move without You  
You're the light of all and all that we need, You will in Your  
hands  
We won't move without You  
We won't move without You  
You're the light of all and all that we need

You're the Lord our God  
The one we love, the one we trust  
We live for You, the Lord our God
