It Will Be Me

Kristin Chenoweth

When you start fallin' who's gonna catch ya? I'm willin' to betch ya, it will be me Who's gonna love ya Like there's no other? Search and discover It will be me

When all the others Have gone and hurt you, Who won't desert you? It will be me

Weigh in the options So much to think of But when you think of It will be me

You may not see it now Love is strange that way But someday, someway baby somehow

When you've been broken Dreams don't oblige you Who's that beside ya? Oh it will be me

You may not see it now Love is strange that way But someday, someway baby somehow

Who'd be your only True romancer? You know the answer It will be me

What will it take to Bring you to your senses? And finally convince you? It will be me

It will be me
