

## Little Sparrow

Kristin Chenoweth

Little sparrow, little sparrow  
Precious fragile little thing  
Little sparrow, little sparrow  
Flies so high and feels no pain

All ye maidens, heed my warning  
Never trust the hearts of men  
For they will crash you like a sparrow  
Leaving you to never men

Little sparrow, little sparrow  
Precious fragile little thing  
Little sparrow, little sparrow  
Flies so high and feels no pain

If I were a little sparrow  
Over these mountains I would fly  
And I would find him, yes I would find him  
And look into his lying eyes  
I would fly around him, with my little sparrow wings  
And I would ask him, yes I would ask him  
Why he left me in vain

Little sparrow, little sparrow  
Precious fragile little thing  
Little sparrow, little sparrow  
Flies so high and feels no pain

But I am not some little sparrow  
I am but a broken wing  
From a cold false hearted lover  
And his evil conning scems

[Chorus:]

[Bridge:]

Little sparrow, little sparrow  
Oh, the sorrow never ends

[Chorus 2:]

Little sparrow, little sparrow  
Flies so high and feels no pain  
Little sparrow, little sparrow  
Oh, the sorrow never ends
