

Teeth

Kristin Hersh

I could get a piece of meat from a barren tree
nothing ever spoiled on me
You brought this you dipshit
nothing ever spoiled on me
That cloud stomps around my house
does whatever it pleases, it teases me
what the hell?
never was a baritone till you stepped in
never dried my halters on the line
this hairdo's truly evil
I'm not sure it's mine.

You're so tall
it's like I climb a waterfall

What I said was get me a drink alright?
what am I supposed to sit
and look at you all night?

All girls cry like I said,
I don't know why.

That cloud stomps around my house
does whatever it pleases, it teases me
what the hell?
never was a baritone till you stepped in
never dried my halters on the line
this hairdo's truly evil
I'm not sure it's mine.
