FML (Fuck Up My Life)

Kristina Maria

It's 3 am and I'm a mess
Looking through my list of friends
Cause I need someone to hear me
When I speak so cavalierly

Tonight see what I'm saying
I won't feel that way tomorrow
When I look at what I wrote
It's guaranteed that I'll be sorry

There goes my dignity through a text
FML, FML, times 2
I take it back
Every single word
I take it back
FML, FML, times 2

Fade to black
The message wasn't meant for you
I take it back
FML, FML, times 2

Life's a bitch and then you marry one too
When it rains it pours
But what you gonna do
FML
There goes my dignity through a text
FML, FML, times 2

For a little while longer
I'm the life of the party
Party hard party hard
Party hard party hard

Now I'm in the state of mind
Whip out the phone and drunk dial
Dial 8-6-7-5-3-0-9

There goes my dignity through a text
To my ex
I take it back
FML
Every single word
I take it back
FML, FML, times 2

Fade to black
FML
The message wasn't meant for you
I take it back
FML, FML, times 2

Life's a bitch and then you marry one too
When it rains it pours
But what you gonna do
FML
There goes my dignity through a text

FML, FML, times 2

FML, FML, FML, times 2
FML, FML, FML, times 2

FML
Like when you drop and break your cell
When they hit you with a DUI
And you spend the night in jail
FML
When you know you're gonna fail
Or you purchase something pricey
And the next day it's on sale
FML
When you catch your BFF
Hooking up with your boyfriend
Cause you read his BBM

It's 6 am, still a mess
Wonderin' where the hell I've been

Life's a bitch and then you marry one too
When it rains it pours
But what you gonna do
FML
There goes my dignity through a text
FML, FML, times 2

I take it back
FML
Every single word
I take it back
FML, FML, times 2

Fade to black
FML
The message wasn't meant for you
I take it back
FML, FML, times 2

Life's a bitch and then you marry one too
When it rains it pours
But what you gonna do
FML
There goes my dignity through a text
FML, FML, times 2

FML, FML, FML, times 2
FML, FML, FML, times 2
FML, FML, FML, times 2
FML, FML, FML, times 2
