

Dreamcatcher

Kristinia DeBarge

See your face, time frozen
Waking up is the hardest moment now
When you're not around
Second hand, stuck emotion
Wasting minutes like the time is stolen now
And it was running out
Eyes closed, my hands search the air
For something that's not there

Now I, I need your help to catch my dream
'Cause everyday without you seems
Like it's slipping through my fingertips
And I don't know what it means
'Cause every night when I'm alone
I dream about you coming home

Won't you be my dream catcher?
Dream catcher, catcher
Dream catcher, catcher
Dream catcher, catcher
Won't you be my dream catcher?
Dream catcher, catcher
Dream catcher, catcher
Dream catcher, catcher
Won't you be my dream catcher?

Storm clouds, sky falling
Alone now but I hear you calling out
I feel you closer now
Eyes closed, my hands search the air
For once, I'm not so scared

Now I, I need your help to catch my dream
'Cause everyday without you seems
Like it's slipping through my fingertips
And I don't know what it means
'Cause every night when I'm alone
I dream about you coming home

Won't you be my dream catcher?
Dream catcher, catcher
Dream catcher, catcher
Dream catcher, catcher
Won't you be my dream catcher?
Dream catcher, catcher
Dream catcher, catcher
Dream catcher, catcher
Won't you be my dream catcher?

As I stare into the sky
I swear that I can see your eyes staring back at me
And I start to feel alive
No matter where you are,
You got me through the dark
And whenever I'm asleep

Won't you be my dream catcher?

Dream catcher, catcher
Dream catcher, catcher
Dream catcher, catcher
Won't you be my dream catcher?
Dream catcher, catcher
Dream catcher, catcher
Dream catcher, catcher
Won't you be my dream catcher?
