

Forever

Kristy Lee Cook

Those days of love are gone
Our time is through
Still I burn on and on
All of my life,
Only for you.

From now,
Until forever and ever,
My darling, forever
You will always be the only one
You will always be the only one.

As long as I shall live,
I'll hold you dear
And I will reminisce,
Of our love all through the years.

From now,
Until forever and ever,
My darling, forever
You will always be the only one
You will always be the only one.

If you should ever need me,
Unfailingly, I will return to your arms,
And unburden your heart
And if you should remember,
That we belong together,
Never be ashamed,
Call my name
Tell me I'm the one you treasure.

Oh, forever and ever,
My darling, forever
You will always be the only one
You will always be the only one
Yeah, you will always be the only one,
Forever, yeah you.
