Ice water in my veins, when I claim strange  
Our slaughter ain't the same, I done seen thangs  
It gets hotter in the flames, but I maintain

And if you jealous, fellas, tell us  
Got them huevos, come and get us

Killin' em and it ain't softly  
Don't psych up on em  
Even if they whack up on a  
N9na taught me (OKAY!)  
Packing the magnum better back up off
