

## Be Right Back

Krizz Kaliko

Y'all done get it this time, aha,  
I ain't lettin' that ride,  
Y'all done get it this time,  
Better not let me go outside,

Say something, Say it again,  
I dare ya! I got somethin,  
That'll do a little more then scare ya,  
They say where a rain coat or we might get wet,  
Well I ain't met a mutha (HUH) who can do that yet,  
Talkin' that jibbity jabber bout to put some hot ones through us,  
Do somethin' to us, Talk go through us,  
(Your girly wanna do us!)  
The snake in the back cash  
(She also money threw up!)  
Justa shakin that back fat,  
We come in piece,  
But you know we got our pieces,  
Can be the beast,  
Takin' out all 32 teeth is,  
Cut your trunks fool,  
Got limits to,  
That limits you,  
To miniscule,  
Words you can use to make criminals,  
Deminisce you,  
Finish you,  
Then you wanna do,  
Wet ya' like a swimming pool,  
That 80's baby face got 44's that turn to 88's,  
But keep them in my hoe stocks,  
Supposed to be the nice guy,  
Don't do me like that,  
Keep on poppin' off,  
And i'll be right back,

Keep on disrespectin' me homie,  
And i'll be right back,  
I'll be, I'll be right back,  
I. I'll be right back,

You can say somethin' slick to me,  
I'll be right back,  
I'll be, I'll be right back,  
I. I'll be right back,

Back up, Back up in your room boy!  
I'll be right back,  
I'll be, I'll be right back,  
I. I'll be right back,

Someone told me bust a move well,  
I'll be right back,  
I'll be, I'll be right back,  
I. I'll be right back!

Why you yellin' on my phone,

Like you major?  
Actin' like you killin,  
You wouldn't if somebody paid ya'  
If you really want Nina in the spot,  
I can aid ya'  
I'll be right back on to them,  
Me and my brellies invade ya!

Nigga, I got rider's in fresh, no,  
Never scared to let, let go,  
Your message was womaness,  
Better yet it sounded real lesbo,  
Like a gay women,  
You tripped,  
Cause another bitch said so,  
Just tell the truth,  
you trippin,  
Cause i'm reppin that red though,  
But don't be actin like you don't know,  
See beau is my family,  
And you claimin' west coast mafia,  
Soundin' real gambi,  
See beau don't be runnin with nigga's  
Feelin' dandy in panties,  
Instead of a man these pansies,  
Hand me a shanti,  
Stop callin' me from a private number,  
Violent gunner in a silent slumber,  
Dyin' at wonders, Why is it thunder,  
Is it because that you gave me a night cap,  
And you don't like that?  
But don't worry homie,  
My tour is comin,  
I'll be right back!

Keep on disrespectin' me homie,  
And i'll be right back,  
I'll be, I'll be right back,  
I. I'll be right back,

You can say somethin' slick to me,  
I'll be right back,  
I'll be, I'll be right back,  
I. I'll be right back,

Back up, Back up in your room boy!  
I'll be right back,  
I'll be, I'll be right back,  
I. I'll be right back,

Someone told me bust a move well,  
I'll be right back,  
I'll be, I'll be right back,  
I. I'll be right back!
