Can open up a can, on your ass is tender  
And got a proper referee never da have a legacy  
Who be the best of the best and I'm guessing me  
Your guessing me, and break down a sixteen  
If it's clean, not missing  
Not one thing is glistening, it's pristine your listening, to...

There is no evil, then if you peeping then leave him to us  
Run from the steep hill, but either we can be meaning we bite  
Not just a little, we try to eat up your veetle's for lunch  
I think my sequel genius wasn't equal, people seen us they was teekel

That we sing up and link too much  
You still be getting beaten and see the repeatedly, repeating our frequency  
Guess I'm just speaking too much
