Krizz Kaliko

Turn it up til your mama tell you "Turn it down!"
Rock it, til your mama tell you "Turn it down!"

Get off of your lazy ass and do something for the people to make them feel i
t faster.

Don't wanna post... holy ghost I can preach the pastor.

{Electricity} I'm amazin
I was gazing

Place to release my anger
I'm an angel with a gang of bangers
And I'm not home with a gang of strangers
Never stand still, it's a gang of danger
Gotta pop pills to contain my anger
Cause if I stay the same it's the days of lamer
So I'll rep there to rep yours
I really don't care, but I'm sure
That we can all lose weight, get in shape and maybe even get attractive
Get on up and g-g-Get Active!

Let me take you for a long ride, up and down, in and out, right around and o
ut of your mind...
