

# Night Time

Krizz Kaliko

You do love the nighttime  
Ah yea?  
Yea  
It's crazy  
Feels so real  
It is real

In the nighttime  
The night is on it's way  
For some reason I feel better  
I'm so bored of the day  
Like I know how I feel it's right  
In the nighttime  
It's wrong for me to feel this way

So excuse me if it's weird  
When it's dark some people fear it  
I go near it, I can feel it  
The sun just fell and I know this feeling well  
A change is taking place, my city's out of space  
And I wonder who's gonna cry tonight, who's gonna get fly tonight  
Get drunk, get high tonight  
And who's gon die tonight?  
What is waiting on the side of daytime?  
Feels like it's play time

In the nighttime  
The night is on it's way  
For some reason I feel better  
I'm so bored of the day  
Like I know how I feel it's right  
In the nighttime  
It's wrong for me to feel this way

In my head it's always nightfall  
Close my eyes and then the light's off  
I'm at the white love  
Yea these streets still gotta beat me but the mic's off  
They hollerin Kali baby, put your arms round me baby  
And show me what's it made for  
I like the sunshine  
But I love the moonlight  
The freaks come out at night  
The darkness is the right time  
For us to do what we do

In the nighttime  
The night is on it's way  
For some reason I feel better  
I'm so bored of the day  
Like I know how I feel it's right

It's crazy  
Don't know why I feel this way  
In the nighttime  
It's crazy  
In the nighttime
