Krizz Kaliko

While listening to this song take it easy  
Don't dance or make noise at all  
Please don't march or scream and please refrain from any erratic behavior  
Never mind, go crazy

(Spaz on)  
Both in the 70's, 80's baby, I'm a cause to the death of me (on)  
Yosemite level, middle finger's up to haters who slept on me (snore)  
Although you may say this, you'll take it back to stick your riders in heaven at (war)  
Me you are related, you pat fucking, back stabbing, livin' on different rap (you)  
And I ain't aimin' for the middle, tryna eat and get the viddles, I ain't talkin 'bout a little bit  
And I ain't ashamed to be the Mental Giants protégé, many niggas is getting blown away  
Nickname kali baby, women on my men, I see them goin' crazy  
And if you feel the same as me come on and go insane with me

If you feel like you'll go insane then  
Spaz! spaz! spaz! spaz!  
Everything you think is not the same, still  
Spaz! spaz! spaz! spaz!  
If you test the water prepare to swim  
Spaz! spaz! spaz! spaz!  
You might just go crazy instead of them  
Spaz! spaz! spaz! spaz!

Kali baby, do what you never did, come to get cheddar, enough that I get it (around me)  
Let them be getting some money, twitter it, you niggas actin' confederate (nina)

Okay oh-oh I'll say it again if you didn't know (watch me)  
Ba-ba-

Trapped in the traffic compadiris, you niggas earthlin' and I'm off of saturday and (me)  
We'll be the bestest from the midwestest, go get your people, your men in here (flee)  
Cause I can damage it, you niggas amateurs, I'm son of sam and I'll handle it (uh ohh)

If you feel like you'll go insane then  
Spaz! spaz! spaz! spaz!  
Everything you think is not the same, still  
Spaz! spaz! spaz! spaz!  
If you test the water prepare to swim  
Spaz! spaz! spaz! spaz!  
You might just go crazy instead of them
