

## Boys Nite Out

Krokus

Party time pass the wine  
Anything goes tonite  
Shoot the moon call the tune  
Nobody's gettin' uptight

See the girls gettin' on down  
Dancin' and doin' it hot  
Snakey hips sexy lips  
Givin' it all that they've got

Steppin' outside ready to ride  
The boys are on their way  
Burnin' steel spinnin' wheels  
Better get out of their way

Never surrender...go all the way

On a boy's nite out  
On a boy's nite out  
Gonna scream...gonna shout...  
On a boy's nite out

Dream machine driver's dream  
Take me on this flight  
Worked till noon got her tuned  
Don't let me down tonite

We're gonna make it  
We're gonna take it  
Take it to the edge tonite  
Follow the noise  
And the boys
