Where people laugh and the girls fall in love Havin' a ball in here!!! I go my way, follow my heart This world of steel won't slow me down I'm going my way Livin' it up with the best friends Havin' a thrill Gotta whole lotta livin' and the adrenaline's high Spin another refill Out for the money 'scuse me while I kiss the sky This is the place where the music is loud And they sell the best beer, come on, yeah!
