

Hallelujah Rock n' Roll

Krokus

Hallelujah - come and get me
Hallelujah - rock'n'roll

You want cash I want love
You need time I feel time
You say stop I say go
I believe what I know

You're my girl, I'm your man
I will do, the best I can
I say yes, you say no
I feel high and you feel low

I'll tell you what you need

Hallelujah - come and get me
Hallelujah - set me free
Hallelujah - can you feel it
Hallelujah - rock'n'roll

Life is short it's a crime
Got to see eye to eye
Raise your head shout it out
Hear the call sing it loud

I'll tell you what you need

Hallelujah - come and get me
Hallelujah - set me free
Hallelujah - can you feel it
Hallelujah - Rock'n'roll

Hallelujah - come and get me
Hallelujah - set me free
Hallelujah - can you feel it
Hallelujah
Hallelujah
Hallelujah
Hallelujah...rock'n'roll yeah !
