

## I'm on the Run

Krokus

Standing at the station  
Waitin' for the train  
No money for a B.L.T.  
Can't afford the plane  
Sat me down in a smoker  
Rolled me up a jay  
Time is up, runnin' hot  
This boy is on his way  
I'm on the run, I'm on the run  
Loaded like a gun  
I'm on the run, I'm on the run  
Silver bullet to the sun  
Meet a million people  
Tell me what to do  
All the slimy leaches...yuk!  
Make me feel so blue  
But the booze in the bus  
Hot legs round the neck  
State to state coast to coast  
Hey guys! I'll be back...  
I'm on the run, I'm on the run  
Loaded like a gun  
I'm on the run, I'm on the run  
Silver bullet to the sun  
Guitar Solo  
I'm on the run, I'm on the run  
Loaded like a gun  
I'm on the run, I'm on the run  
Silver bullet to the sun
