

# Let This Love Begin

Krokus

Girl when I look back on  
All of the treasures I've won  
They used to shine for me  
Now your face is all I see  
All I see..  
All the fortune in my hand  
Can't you see from where I stand  
All I need is you..  
Dreamin' is all I do  
See men holding you  
[Chorus:]  
Baby when I look at all I've had  
I know that I shouldn't be sad  
But you and me were made for love  
I know it's written in the stars above  
Let the heartache end  
And let this love begin  
I know you'll see me through  
All I need is you.. Instant Song Lyrics  
I searched for the light  
Find some heat in the night  
And though I feel the flame  
Without your love it's not the same  
It's just not the same..  
Standin' here the river's wide  
Got to get to the other side  
All I want is you..  
Play for me your love song  
Say you'll be the only one..  
Chorus  
Solo  
Dreamin' is all I do  
See men holding you
