

Rock Ladies

Krokus

Listen baby
What I've got to tell you
I said action, baby action
Yeah, only chance
Get no satisfaction, when ya

Listen baby
What I've got to tell you
I said prison, baby prison
Which's the place you live
Get no satisfaction, when ya
(Shake it out)

Rock and roll ladies
Just for your way
Rock and roll ladies
Just for your way
Rock and roll ladies
Just for your way
Rock and roll ladies
Just for your way

(SOLO)

Rock and roll ladies
Just for your way
Rock and roll ladies
Just for your way
Rock and roll ladies
Just for your way
Rock and roll ladies
Just for your way

Yeah yeah

Get it on, get it on, get it on, get it on, get it on
So get it on, get it on, get it on, get it on, get it on

Baby!
