(Young, Young, Johnson)

Party's gonna happen at the union hall

Shaking to the rhythm 'til everybody fall

Picking up my woman in my Chevrolet

Glory hallelujah gonna rock the night away

I'm gonna roll roll roll

I'm gonna roll roll roll

I'm gonna take this town, turn it around

I'm gonna roll roll roll

Now there's a blue suede bopping on a high heeled shoe

Balling round together like a wrecking crew

Oh be bopper lubba baby what I say

You gotta get a dose of rock and roll on each and every day

We're gonna roll roll roll

We're gonna roll roll roll

We're gonna take this town, turn it around

We're gonna roll roll roll

I'm gonna blow up my video

Shut down my radio

Told boss man where to go

Turned off my brain control

That's the way I want my rock and roll

That's the way I want my rock and roll

That's the way

Ooh that's the way I like my rock and roll

That the way I want my rock and roll

That's the way

That's the way

That's the way I want my rock and roll

That's the way

That's the way

That's the way I want my rock and roll

That's the way

That's the way

Oh!

To rock and roll!

Roll, roll, roll,

I'm gonna roll, roll, roll

I'm gonna take this town, turn it around,

I'm gonna roll, roll, roll

I'm gonna roll, roll, roll

That's the way I want it

Roll, roll, roll

Gotta hear it loud

Gonna take this town, turn it 'round

Gonna roll, roll, roll

Blow up my video

Shut down my radio

Told boss man where to go

Turned off my brain control

That's the way I want my rock and roll

That's the way I want my rock and roll
That's the way I want my rock and roll
